ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

A historical and systematic introduction to what the medieval philosopher and theologian Thomas Aquinas (1225-74) said about faith in the Trinity. Gilles Emery OP provides an explanation of the main questions in Thomas's treatise on the Trinity in his major work, the *Summa Theologiae*. His presentation clarifies the key ideas through which Thomas accounts for the nature of Trinitarian monotheism. Emery focuses on the personal relations of the Father, Son, and Holy Spirit, both in their eternal communion and in their creative and saving action. By highlighting the thought of one of the greatest defenders of the doctrine of the Trinity, he enables people to grasp the classical Christian understanding of God.
