To the very raucous SSOSfam—wanna find out what the band's been up to over the last year? Jam-packed with their own photos, anecdotes of life on and off the road, and much more, the only official 5 Seconds of Summer book out this year means now you can . . . Luke, Michael, Calum, and Ash are having a mad year: a world tour, writing their new album, signing up their first band on their own record label, breaking the internet—it's been eventful to say the least. The good news is they want to share it all with you! This book is a special thanks for (officially) being the best fan army around!

Boy Bands and the Performance of Pop Masculinity provides a history of the boy band from the Beatles to One Direction, placing the modern male pop group within the wider context of twentieth- and twenty-first-century popular music and culture. Offering the first extended look at pop masculinity as exhibited by boy bands, this volume links the evolving expressions of gender and sexuality in the boy band to wider economic and social changes that have resulted in new ways of representing what it is to be a man. The popularity of boy bands is unquestionable, and their contributions to popular music are significant, yet they have attracted relatively little study. This book fills that gap with chapters exploring the challenges of defining the boy band phenomenon, its origins and history from the 1940s to the present, the role of management and marketing, the performance of gender and sexuality, and the nature of fandom and fan agency. Throughout, the author illuminates the ways in which identity politics influence the production and consumption of pop music and shows how the mainstream pop of boy bands can both reinforce and subvert gender and class hierarchies.

Hi everyone, This book is pretty much our official story so far. It really does seem only like last week we played our first gig at the Annandale Hotel in Sydney. Since then we've been given the opportunity to turn into the people and musicians we wanted to be. The people who gave us the opportunity were the fans. So this book is like a thank-you. We want everyone to know the story of how four western Sydney teenagers picked up their instruments and dreamed of being one of the biggest bands in the world. There are also some embarrassing photos of us deeping around and some facts that some of us didn't even know. So we hope you enjoy it! Love, cal, luke, ash, and mike x

The record-breaking records annual is back and packed with more incredible accomplishments, stunts, cutting-edge science and amazing sporting achievements than ever before. With more than 3,000 new and updated records and 1,000 eye-popping photos, it has thousands of new stats and facts and dazzling new features. There is so much to explore inside. Go on a whirlwind tour of the planet's most amazing places, from the largest swamps to the deepest points on Earth. Find out what happens when you give an octopus a Rubik's Cube, and why all you need to defend yourself from a crocodile is a rubber band! You'll also find all your favorite records and categories such as Big Stuff, Collections, Mass Participation and Fun with Food, plus the year's most significant sporting achievements. Our editors have also taken inspiration this year from the world of superheroes – both fictional and real-world – so look out for our feature chapter charting your favorite caped crusaders in comic books, TV shows and movies. We also meet the real-life record-breakers with genuine superpowers, such as the Canadian strongman vicar who can pull a jumbo jet and an actual cyborg who uses technology to augment his senses. You'll also learn all about the science of superheroes, such as who the fastest and strongest superheroes would be if they came to life, and who would win in a royal rumble between Superman, Batman, Hulk and Dr Strange! Also new this year is a celebration of the superlative with infographic poster pages that explore the most exciting absolutes, such as the longest, tallest, fastest and heaviest. Does the longest sofa outstretch the longest train? Is the tallest Easter egg bigger than the tallest snowman? Find out in this amazing new edition. You'll also find these special pages available as free poster downloads at guinnessworldrecords.com! From science to showbiz via stunts and sports, there are real-life heroes all around us in all shapes and sizes, achieving the extraordinary every day. There's only one book where you'll find so many amazing facts all in one place, and that's Guinness World Records 2018!

The essential guide for any writer for children.

5 Tales of Mystery And Love: Five Books Omnibus Summer 2018 This omnibus includes the following Books: Alfred Bekker (Leslie Garber): The Tomb of the Pale Lord Alfred Bekker (Leslie Garber): The Eerie Castle Alfred Bekker (Leslie Garber): House of Uncanny Shadows Alfred Bekker (Leslie Garber): Mistress of the Crows Alfred Bekker (Leslie Garber): The Moon Witch Dark rituals between monastery walls and a cruel moon cult - a young woman sees to bring light into the darkness and gets to feel the powers of the moon-witch and has to fight for her love.

One definition of justice is "the quality of being just, impartial, or fair." The Summer quarter focusses on justice as presented in the New Testament: a primary characteristic of God's nature. As followers of Jesus we are called to imitate God's just and merciful nature through our actions toward others, including our enemies. The Summer quarter of study seeks to answer the following questions: How can we avoid being judgmental? What motivates true and just generosity? And, what makes for living justly in the world? Summer Theme: Justice (Matthew, Luke, Romans, 2 Corinthians, and Colossians) Bible Lessons for Youth is a comprehensive 6-year Bible-to-life curriculum that helps teens apply the Bible to their real-life. Its teacher-friendly format is built around a step-by-step sequence with thought-provoking activities designed to help youth understand Scripture and apply it to their individual experiences. Begin The Bible Lessons for Youth format of "Explore," "Focus," and "Connect" is an intentional learning approach to help teens FOCUS on the original context, EXPLORE how the passage speaks to their lives, and CONNECT with how to live out God's Word in their daily lives and in the world. Key Verse Taken from the passage printed in the student book, this verse can be used to emphasize Scripture memorization in your class. Take-Away This is the basic point of the lesson and is summed up in a short sentence. It's the big idea you want your teens to grasp from each week's session. Bible Lesson For easy access, the Scripture passage your class or group will explore is taken from the Common English Bible, and are coordinated with the Uniform Lesson Series. Contains options for younger and older youth.

The Bloomsbury Handbook of Popular Music and Social Class is the first extensive analysis of the most important themes and concepts in this field. Encompassing contemporary research in ethnomusicology, sociology, cultural studies, history, and race studies, the volume explores the intersections between music and class, and how the meanings of class are asserted and denied, confused and clarified, through music. With chapters on key genres, traditions, and subcultures, as well as fresh and engaging directions for future scholarship, the volume considers how music has thought about and articulated social class. It consists entirely of original contributions written by internationally renowned scholars, and provides an essential reference point for scholars interested in the relationship between popular music and social class.

una città della Puglia. Foggia. Non quella che si potrebbe immaginare... La Foggia segreta, nascosta, un luogo orribile e mostruoso... Intrappolati in un'acquatica dimensione onirica quasi surreale, uno spazio... occulta misteri macchiati di sangue avvolti da toni di rosa, glassati dalla zuccherosa ricerca della bellezza e della perfezione. Si ha la sensazione di un tempo sviluppato in flashback. Un tornare indietro, trovando cosa? Errori di codifica, bug impastati di dolce, vellutati sensualità, alla ganache di cioccolato su indigesti ricordi. Una di quelle storie che non esistono. ... Ma che si avvertono, assaporandole lentamente. Gianluca Celetano è nato a Foggia nel 1998. Ama la letteratura, l'arte, le piante e la cultura giapponese. Sin da bambino scrive storie e sceneggiature. Attualmente studia lingue e letterature straniere all'Università di Chieti.
