A Beginners Guide To Freshwater

A Beginner's Guide to Freshwater Fishing

Freshwater fishing, also called coarse fishing, is fishing in waters that do not have salt. If you are a beginner, you may be feeling a little overwhelmed with the rules and regulations and what fishing gear you will need, including boat cleaning supplies .

How to Fish - Ultimate Guide on Fishing for Beginners

For a beginner to freshwater fishing, start with worms or minnows. These are small live baits that are easy to hook and attract a variety of fish. Otherwise if you aren't comfortable with live bait, try a green or rainbow colored power bait. These two colors are perfect for novice anglers. 6.
