A HALF BAKED LOVE STORY....it baked my brain at first but story turned little interesting when arav(hero of story)starts

narrating his past love story which was his true and first love.

This story clearly pictures us the way how arav who was

shy,caring,decent boy who had fell in love with a girl anamika

in his secondary high school turned into man who lost his true

love and became so desparate that he started loving every

girl he met and ended his relation every time.
