Therapists and others who provide services to people who have Duchenne muscular dystrophy. The goal of the book is to deepen the readers understanding of the support that occupational therapists can offer to families who are affected by this condition. Written by experienced occupational therapists with a special interest in Duchenne muscular dystrophy. The book will provide information and support to therapists who may be working in isolation, or who rarely work with this client group. It is for the experienced therapist as well as the student. Each chapter of this book gives a clear and
