THE AMERICAN PAGEANT, 14th EDITION, enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life.

*The American Pageant by David Kennedy - Goodreads*  
I'd definitely recommend this book to anybody taking AP US history with the American Pageant 14th edition textbook. The American Pageant book contains lots of good information, but unfortunately is hard to find because of the flowery language. This book provides you with a concise 3-4 page summary of every chapter.

A review of the entirety of American history is a lot to take on. This book does a good job of giving that broad view while still keeping it interesting and fun. The edition I was reading was written during the Cold War and this clearly influences the history in the book after WW2 and not in a good way, but otherwise it seems a fair if quaintly dated read.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1741); Volume 1: To 1877 (Chapters 1722); Volume 2: Since 1865 (Chapters 22741). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Features: 500 AP-style questions and answers referenced to core AP materials Review explanations for right and wrong answers Additional online practice Close simulations of the real AP exams Updated material reflects the latest tests Online practice exercises

The incredible, harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U.S. election and help Donald Trump gain the presidency. "Russian Roulette is...the most thorough and riveting account." -- The New York Times Russian Roulette is a story of political skullduggery unprecedented in American history. It weaves together tales of international intrigue, cyber espionage, and superpower rivalry. After U.S.-Russia relations soured, as Vladimir Putin moved to reassert Russian strength on the global stage, Moscow trained its best hackers and trolls on U.S. political targets and exploited WikiLeaks to disseminate information that could affect the 2016 election. The Russians were wildly successful and the great break-in of 2016 was no "third-rate burglary." It was far more sophisticated and sinister -- a brazen act of political espionage designed to interfere with American democracy. At the end of the day, Trump, the candidate who pursued business deals in Russia, won. And millions of Americans were left wondering, what the hell happened? This story of high-tech spying and multiple political feuds is told against the backdrop of Trump's strange relationship with Putin and the curious ties between members of his inner circle -- including Paul Manafort and Michael Flynn -- and Russia.

Russian Roulette chronicles and explores this bizarre scandal, explains the stakes, and answers one of the biggest questions in American politics: How and why did a foreign government infiltrate the country's political process and gain influence in Washington?

Winner of the 2018 Pulitzer Prize for History Winner of the 2017 Kirkus Prize for Nonfiction A National Book Critics Circle Award for Nonfiction Finalist A New York Times Notable Book of 2017 One of the Washington Post's Best Books of the Year In this "cri de coeur about the Gulf's environmental ruin" (New York Times), "Davis has written a beautiful homage to a neglected sea" (front page, New York Times Book Review). Hailed as a "nonfiction epic... in the tradition of Jared Diamond's best-seller Collapse, and Simon Winchester's Atlantic" (Dallas Morning News), Jack E. Davis's The Gulf is "by turns informative, lyrical, inspiring and chilling for anyone who cares about the future of 'America's Sea.'" (Wall Street Journal). Illuminating America's political and economic relationship with the environment from the age of the conquistadors to the present, Davis demonstrates how the Gulf's fruitful ecosystems and exceptional beauty empowered a growing nation. Filled with vivid, untold stories from the sportfish that launched Gulfside vacationing to Hollywood's role in the country's first offshore oil wells, this "vast and welltold story shows how we made the Gulf... [into] a 'national sacrifice zone'" (Bill McKibben). The first and only study of its kind, The Gulf offers "a unique and illuminating history of the American Southern coast and sea as it should be written" (Edward O. Wilson).
