This review was originally published on Book Blog Bird  
Apple And Rain is the story of Appolonia 'Apple'  
Apostolopolou, a thirteen year old girl who has lived  
with her nan ever since her mum walked out on them  
when Apple was three. Apple's nan is fairly strict,  
she's got a hopeless crush on an older boy at school  
and her best friend is starting to hang out with other  
people, and Apple is convinced that if her mum was  
still around, everything would be much better.

Apple has a sister named Rain, and Annie can't look after herself, let alone her two daughters. The protagonist's pride keeps her from asking for help, until Annie disappears for two days. This is an enjoyable YA novel, but a lack of character motivation and development make it less appealing to more seasoned readers.
