When Rose Nolan arrives on Ellis Island as a seventeen-year-old Irish immigrant, she is looking for a land of opportunities; what she finds is far from all she'd dreamed. Stubborn and tenacious, she refuses to give up. Left alone to fend for herself and her younger sister, Rose is thrust into a hard-knock life of tenements and factory work. But even as she struggles, Rose finds small bright points in her new life--at the movies with her working friends and in the honest goals of her mentor, Gussie. Still, after her exhausting days as a working girl, Rose must face the confusion of balancing her need for simple fun with her more wary feelings about joining Gussie in her fight for better working conditions. When the devastating Triangle Shirtwaist Factory Fire of 1911 rushes into Rose's life, her confusions are brought to an all-too-painful head. To whom and to what can she turn when everything around her is in ashes? Sharp, poignant, and stirringly real, MJ Auch has written a powerful historical novel that is hard to put down.

time. I had the feeling that I was brought to America for a purpose. Something important would happen to me here. I remembered the words of the poem, "Give me your tired, your poor, your huddled masses . . ." "Here we are, America," I whispered. "We're just exactly what you ordered." When she arrives on Ellis Island as a seventeen-year-old Irish immigrant, Rose Nolan is looking for a land of opportunities; what she finds is far from all she'd dreamed. Stubborn and tenacious, she refuses to give up. Left alone to fend for herself and her younger sister, Rose is thrust into a hard-knock life of tenements and factory work. When the devastating Triangle Shirtwaist Factory Fire of 1911 rushes into Rose's life, her confusions are brought to an all-too-painful head. To whom and to what can she turn when everything around her is in ashes?

Once at Ellis Island, seventeen-year-old Rose Nolan quickly realized that America was very different from what she had expected and so had to quickly adjust to the reality of hard work in the factory to keep food on the table for her and her young sister. Reprint.

In 1815, while traveling by covered wagon to settle in the wilderness of western New York, eleven-year-old Mem experiences a flood and separation from her family.

In 1816, twelve-year-old Mem's new home in the wilderness of western New York is disrupted when the birth of another baby sends her mother into "spells" that disconnect her from reality.

There's no way a little thing like losing his hand will keep Norm from trying out for baseball.

This Newbery Honor winning, New York Times bestseller celebrates the true spirit of independence on the American frontier. For most of her life, sixteen-year-old Hattie Brooks has been shuttled from one distant relative to another. Tired of being Hattie Here-and-There, she summons the courage to leave Iowa and move all by herself to Vida, Montana, to prove up on her late uncle's homestead claim. Under the big sky, Hattie braves hard weather, hard times, a cantankerous cow, and her own hopeless hand at the cookstove. Her quest to make a home is championed by new neighbors Perilee Mueller, her German husband, and their children. For the first time in her life, Hattie feels part of a family, finding the strength to stand up against Traft Martin's schemes to buy her out and against increasing pressure to be a "loyal" American at a time when anything—or anyone—German is suspect. Despite daily trials, Hattie continues to work her uncle's claim until an unforeseen tragedy causes her to search her soul for the real meaning of home. This young pioneer's story is lovingly stitched together from Kirby Larson's own family history and the sights, sounds, and scents of homesteading life. Mrs. Pennywort's hen, Pauline, can't seem to lay eggs like the others. . . . Until she finds some inspiration, and a strange talent. When she nests outside to get away from the noise and teasing of the others, Pauline manages to lay a beautiful sky-blue egg. Watching a ladybug in the grass, she lays a bright red spotted egg. The hen is confused, but Mrs. Pennywort is thrilled—and she takes Pauline on an adventure! Soon Pauline is laying eggs of all colors and patterns, to the delight of everyone who sees them. It seems like the perfect way to celebrate Easter. . . . even when the eggs start hatching into brightly colored chicks. Mary Jane Auch's funny text and vibrant illustrations will make this an Easter favorite. . . . and a year-round reminder of the importance of being true to yourself.

When twelve-year-old Grady Flood and his mother Lila relocate yet again, they find work taking care of an elderly man, who teaches Grady about cars, birds, and what it means to have a home.
