"An enthralling debut by a gifted storyteller!"—Wendy Walker, author of Don't Look for Me In this spine-tingling, atmospheric debut for fans of Jennifer McMahon, Simone St. James, and Chris Bohjalian, a woman returns to her hometown after her childhood friend attempts suicide at a local haunted house—the same place where a traumatic incident shattered their lives twenty years ago. Few in sleepy Sumner's Mills have stumbled across the Octagon House hidden deep in the woods. Even fewer are brave enough to trespass. A man had killed his wife and two young daughters there, a shocking, gruesome crime that the sleepy upstate New York town tried to bury. One summer night, an emboldened fourteen-year-old Clare and her best friend, Abby, ventured into the Octagon House. Clare came out, but a piece of Abby never did. Twenty years later, an adult Clare receives word that Abby has attempted suicide at the Octagon House and now lies in a coma. With little to lose and still grieving after a personal tragedy, Clare returns to her roots to uncover the darkness responsible for Abby's accident. An eerie page-turner, Beneath the Stairs is about the trauma that follows us from childhood to adulthood and returning to the beginning to reach the end.

In The Doomsday Mother, bestselling true crime author John Glatt tells the twisted tale of Lori Vallow, accused of having her two children murdered to start a new life with her new husband, doomsday prepper Chad Daybell. At first, the residents of Kauai Beach Resort took little notice of their new neighbors. The glamorous blonde and her tall husband fit the image of the ritzy gated community. The couple seemed to keep to themselves—until the police knocked on their door with a search warrant. Lori Vallow and Chad Daybell had fled to Hawaii in the midst of being investigated for the disappearance of Lori's children back in Idaho—Tylee and JJ—who hadn't been seen alive in five months. For years, Lori Vallow had been devoted to her children and her Mormon faith. But when her path crossed with Chad Daybell, a religious zealot who taught his followers how to prepare for the end-times, the tumultuous relationship transformed her into someone unrecognizable. As authorities searched for Lori's children, they uncovered more suspicious deaths with links to both Lori and Chad, including the death of Lori's third and fourth husbands, her brother, and Chad's wife. In June 2020, the gruesome remains of JJ and Tylee were discovered on Chad's property, and the newlyweds were arrested and charged with murder. And in a shocking development, horrifying statements revealed that the couple's fanatical beliefs had convinced them the children had become zombies—a belief that may have led to their deaths. Bestselling author and journalist John Glatt takes readers deeper into the devastating crimes of Lori Vallow and Chad Daybell in an attempt to unravel the lethal relationship of this doomsday couple.
