"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

English File's unique, lively and enjoyable lessons are renowned for getting students talking. English File, fourth edition, has been built on tried and trusted methodology and contains uniquely motivating lessons and activities that encourage students to discuss topics with confidence. NEW TO THIS EDITION New and updated texts, topics, and listenings, based on feedback from English File teachers Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File. Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows you to manage all English File resources and download teaching materials in one place. Find out more here
