This is a modern, stylish and practical guide to the traditional craft of bookbinding, written by the founders of the London Centre for Book Arts, a destination workshop space that attracts visitors from all over the world. Accessible enough for complete beginners, while full of inspiration for those with more experience, this is the ultimate guide to making beautiful books by hand. Starting with an introduction to the bindery and a useful inventory of necessary tools and equipment, you'll also learn about different paper types, and special finishes such as cloth coverings, headbands and ribbon markers. You'll then find clear step-by-step instructions for six different hand-made book types, from simple pamphlets and concertinas to more elaborate multi-section bindings. Each project includes ideas for variations, resulting in over 20 different possible outcomes. There are also details about more advanced techniques and specialist bindings, as well as handy layout and design advice. A combination of practical and inspirational photography will guide readers clearly through each stage of the process, while showcasing the unique results that can be achieved and offering an exclusive peek into the workings of the authors' studio.

What characteristics and values define a country? Which countries are particularly successful in terms of education, economics, or culture? In this book, Monocle provides a global perspective on the distinct qualities of nations. Monocle's books with Gestalten have shown you how to build a better life, business, and home. But now Monocle raises the bar: how do you run a great country? They are not talking about might, muscle, or nationalism --although you need a bit of a swagger every now and then. They are talking about a country that feels like a cohesive community, knows what to value, and goes out into the world to gently get its way with soft power, fine ambassadors, and compelling cultural offerings. At home, this country celebrates good education, well-made institutions, and its own people and their skills. How to Run a Nation: A Monocle Guide is a thought-provoking primer that informs and inspires. The best ideas don't need to be invented --they need to be found and copied. Let Monocle be your guide.
