Borneo and the Southern Philippines. With over 1,000 citations, this reference work identifies patterns of forestland transformation common to the areas under consideration. A subject index is included.

More than 100,000
entrepreneurs rely on this

Read Book International

book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide.

Read Book International

Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This
