A beautiful book that not only helps families develop traditions based on the significance of Thanksgiving, but also builds a foundation of gratefulness in their lives.

Scraps never looked so good! This is improvisational piecing reinvented—learn how to create a unique piece of “made-fabric” in just 15 minutes with Victoria Findlay Wolfe's improvisational scrap-piecing methods, then incorporate your made-fabric into traditional quilt blocks. As you play, you'll sharpen your design skills and learn about combining colors and prints in new ways...then watch your quilt design emerge. Discover just how distinctive classic blocks like Sawtooth Star or Flying Geese can be, when they’re constructed with more spunk and spontaneity! Includes 11 challenge exercises to strengthen your creative muscles, plus an inspirational quilt gallery.

Helps you learn how to use your embroidery machine to its fullest potential. This title contains tips and techniques for producing creative designs.

Let your quilting creativity soar with these magical machine techniques! Are you using your sewing machine to its fullest creative capacity? Do you know what each foot can do? Expand your repertoire with machine techniques, embellishment, surface design, and thread painting skill, thanks to your sewing machine. Nine highly qualified, experienced sewing machine educators have developed 13 delightful projects to show you how to make the most of your machine's technical possibilities. From pillows to bed scarves, from wallhangings to table runners, any quilt will benefit when its creator uses these techniques.
