With today's management systems, the cost of making hay far exceeds its value to grazing businesses. Studies have shown that winter feed costs are the largest single factor limiting the profitability for most livestock operations. In virtually every area of the USA, year-around grazing--without hay--is possible, yet many graziers continue making hay. Kick the Hay Habit: A Practical Guide To Year-Around Grazing by Jim Gerrish will show you how much it really costs to produce a ton of hay. He explains how to use nature as your guide for low-cost winter grazing; how to conduct a pasture inventory; how to select the optimal breeding and birthing seasons; how to custom design your own winter forage system; and how to make the transition from hay feeding to grazing. Wouldn't you rather spend your time monitoring pastures and moving livestock than making hay? Both the beginner and the experienced grazier will benefit from Kick the Hay Habit. Gerrish shares his personal experiences as a grazier in Missouri and Idaho as well as insights he gained as a researcher at the University of Missouri's Forage Systems Research Center. As a grazing consultant he has helped farmers and ranchers throughout North and South America. Wouldn't you rather Kick the Hay Habit, dump the heavy metal, and start collecting the profits?

So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes -- legal or not -- to see justice served ... if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking."--Page 4 of cover.
