What would make your perfect man? That's the delicious topic heating up the proceedings at a certain table of professional women at their favourite restaurant. As the conversation picks up momentum, so do the quartet's requirements for Mr Perfect. And they write down a tongue-in-cheek list that's both funny and racy. The next thing Jaine Bright and her three girlfriends know, the List becomes an overnight sensation, grabbing the interest of local newspapers and television coverage. No one expected this avalanche of attention for something that began as a joke among friends. But the joke turns deadly serious when one of the four is murdered... The prime suspect in the case is the victim's boyfriend, one of a number of men who found the List sexist and offensive. But an impenetrable alibi gets him off the hook. Now, with the help of Jaine's neighbour, an unpredictable police detective, the puzzle must be solved - and time is running out as a deadly stalker targets the three remaining friends, and the dream of Mr Perfect becomes a chilling nightmare.

FAITH DEVILIN: A poor, outcast child in Prescott, Louisiana, she'd always adored the town's golden boy from afar. But he called her white trash that sultry Southern night when his rich, respected father disappeared, along with her pretty Mom. Now Faith wanted to hate Gray Rouillard...not to feel a powerful surge of desire. But she couldn't quench her passion, any more than she could hide the truth about the past she had waited so long to unravel. GRAY ROUILLARD: Even when he raised hell, he did it with style. Reckless, charming, and backed by Rouillard money, Gray controlled the town of Prescott -- and Devlin was a name he never wanted to hear again. But when he gazed at Faith Devlin, all he saw was a swirl of tangled sheets and her silken flesh beneath him. To care for her was impossible, unthinkable...because Gray Rouillard planned to use all his power to ruin her.

from field work after the death of her husband, also an agent and under orders from John Medina. In the first novel of this steamy contemporary Western romance series by two blockbuster authors, a cowboy and a woman on the run take a stand and fight for love. Carlin Reed lives in fear, off the grid, moving from place to place. So Battle Ridge, Wyoming, a small town in the middle of nowhere, seems like a good place to lie low for a while. But after becoming cook and housekeeper to cattle rancher Zeke Decker, Carlin suspects that she's made her first mistake. Rugged, sexy, and too distracting for his own good, Zeke is pure temptation mixed with something deep and primal that makes Carlin feel almost safe. Soon things are getting way too hot in the kitchen. Zeke doesn't challenge Carlin's terms: cash, dead bolts, and no questions. It is easy to see that she's a woman in trouble. Problem is, he's so blindsided by his attraction to her he can't think straight. Zeke tries to stay all business, no complications—but that game plan is sabotaged the second Carlin gets under his skin. And when her terrifying past follows her to the ranch, Carlin faces a heartbreaking choice: run away from the man she

loves, or put him in the crosshairs of a madman.
