Indigenous Peoples of North America has been crafted with the expert guidance of an international advisory board in order to ensure the program fulfills the needs of students, professors, and researchers.The archive is curated by Dr. Daniel Mandell and Dr. Roger L. Nichols. Dr. Mandell is a professor of history at Truman State University, specializing in Native American history and the history ...

Indigenous Peoples - Gale

The Trial of Anne Hutchinson NAME HIUS 221 B15 DATE. Early American colonies had many disputes over things like land, slavery, and relations with Native Americans, but one of the most prominent topics of debate throughout American history is religion. When it comes to religious disputes in early America, Anne Hutchinson is notably one of the first women to fight the narrow beliefs of the Puritan Church in the General Court.

Native Americans (Opposing Viewpoints: American History)

Native American voters could sway key Senate races in next week's election in Montana, North Carolina, Arizona and Maine. Investigative journalist Jenni Monet says that for many tribal citizens, the contest is not just about Democrats and Republicans.

Native American Voters Could Decide Key Senate Races While ...

What many Native Americans in particular object to is the misrepresentation of their culture, for gain, and the destruction of the culture in what is essentially the cultural equivalent of Manifest Destiny. Native people, for the most part are surrounded by Non-Native culture, religion, traditions, and people every day of their lives.

Does opposing cultural appropriation actually promote ...

Video taken this past weekend shows a woman attacking members of a Native American tribe protesting against president Donald Trump's border wall.

An anthology of essays explores such issues as war by colonists, federal policy, relocation to reservations, distribution of tribal land, and contemporary reparations

Presents a collection of essays that examine different points of view about the situation of Native Americans, covering such topics as the impact of discrimination, disputes over artifacts and resources, and the causes of their poverty.

Presents a collection of essays that examines the situation of Native Americans, including their problems with poverty, health care, and alcohol, and a discussion of gaming as a viable solution for improving their position in society.

Listening to and respecting others' viewpoints is a key element to fair and honest debate. Readers learn how respecting opposing viewpoints is active in today's society, how it shapes the legal process, and how people can apply this perspective to everyday conversations.

Presents opposing viewpoints on racism in America and how serious this problem is.

Explores the question of who was the first European to set foot on American soil. Columbus? Vikings? Others?

A collection of essays on conflicting aspects of the expansion of the American West discusses such topics as the exploitation of Native Americans and of natural resources, freedom, opportunity, and greed

Presents different viewpoints on the importance of Columbus in the discovery of America. Includes critical thinking activities to help the reader recognize stereotypes.
