Questa guida è stata scritta per i produttori di macchinari e di oggetti che sono destinati a venire a contatto con gli alimenti. Le continue richieste che riceviamo, ci hanno spinto a spiegare tutta la faccenda nel modo più semplice possibile.

Può il colore degli occhi incidere sulla vita di una persona, condizionandola? A seguito di un tentato suicidio, Stella finisce ricoverata in psichiatria e da lì prende le mosse il racconto della sua sofferta esistenza. Costretta a subire il matrimonio con Sebastiano, un uomo potente che non ama, tenderà di ottenere il proprio riscatto attraverso i figli. Santa, la primogenita, riuscirà a crearsi una vita indipendente. Carmelo avrà invece un'esistenza tormentata fin dalla nascita, quando il padre lo rifiuta perché non ha gli occhi neri come i veri "masculi siciliani". Se avessi avuto gli occhi neri è anche un affresco della Sicilia dai primi del Novecento a oggi, che esplora la condizione delle donne siciliane, l'evolversi della famiglia, i mutamenti della società. Un viaggio alla ricerca di identità negate, della propria verità e del difficile percorso per accettarsi ed essere accettati. Una saga familiare dall'imprevedibile finale.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.

In time for the 200th anniversary of author Herman Melville's birth, this graphically arresting, beautifully rendered pop-up retelling of Moby-Dick is a wonder to behold. Rich linocut artworks portray ten key chronological moments from the story in shadowbox-style pop-ups that reward time spent poring over the details and offer fresh perspectives on the classic. Each spread is accompanied by select quotations from the book, while brief page notes provide additional context for the depicted plot moments. With striking typography presented in an authentic broadsheet style, here is an adventure in book craft and storytelling.
