Introduces several of the ocean's species, provides profiles of creatures, from dolphins and sharks to sea otters and penguins, while sharing facts about their characteristics, diets, and habitats.

Humans offer a helping hand. Sea turtles face many dangers as they grow, eat, travel, and breed. In this dramatization of one female turtle's challenges, acclaimed nature writer April Pulley Sayre highlights the role that humans have in helping this endangered species. Previously published, this story has been re-illustrated by Annie Patterson. Information on sea turtle conservation efforts and the seven species of sea turtles is included.

"Set in the ocean off Japan, this retelling of Goldilocks and the Three Bears stars Kiniro, a mermaid, who finds a baby octopus's breakfast, chair, and bed just right"--

We invited teachers from all over the country to share their experience and knowledge for the creation of this giant resource. Open to any page in this book and you will find an activity for circle or group time written by an experienced teacher—over 600 activities covering 48 themes. This book is jam-packed with ideas that were tested by teachers in the classroom. These are ideas that work, and there are enough to keep children learning and happy for days, weeks and months. Many activities include suggestions for extending the circle time or group activity into other areas of the curriculum such as math, science, snack, language, or field trips. Books and songs related to the activity as well as original songs and poems are included. "Consider this resource as a gift for a new teacher or for someone always looking for new proven ideas."—Reviews from Parent Council "Teachers will find this an important reference as it charts practical circle time activities which

have been tried and tested in the classroom: from dinosaur bone hunt to holiday celebrations, this is an excellent collection."—Children's Bookwatch ". . . open this book anywhere and find something fun to do. . . . Even teachers with years of experience should find great new suggestions here, while beginners will find it invaluable."—Notes from the Window Sill

A young girl spends a radiant summer day at the beach in this updated classic from the author of Apples and Pumpkins. Sun...sand...the bright blue ocean! There is so much for a young girl to do on a visit to the beach: sand castles to build, seashells to gather, sandpipers to run with, and a picnic lunch to enjoy. This updated edition of a perennial summertime favorite includes new jacket art from Lizzy Rockwell and refreshed interior art and design.

An under-the-sea retelling of The Three Little Pigs in a chunky, hands-on board book! "Little fish, little fish, let me come in." "Not by the skin of my finny fin fin!" "Then I'll munch, and I'll crunch, and I'll smash your house in!" Mama tells her three little fish that it's time to make their own homes. Jim builds his house of seaweed, but the big bad shark munches it up. Tim builds his house of sand, but the shark crunches it up. It's smart Kim who sets up house in an old sunken ship! Children will delight in this silly whale of a tale with funny, eye-popping illustrations in a sturdy, shiny new board book edition! Safe for all ages.
