Most Federal employees work hard, and their performance is considered good or even exceptional. However, at times Federal supervisors are faced with employees whose performance is not acceptable. The purpose of this book, *Addressing and Resolving Poor Performance: A Guide for Supervisors*, is to help you address and resolve poor performance. The focus of this booklet is to help supervisors address and resolve poor performance. The best way for supervisors to handle poor performance issues is to take action to avoid performance problems before they occur.~
