Saturday Night and Sunday Morning by Alan Sillitoe

Saturday Night and Sunday Morning is a classic social realist film of the British New Wave. Made in 1960, it was groundbreaking in both its portrayal of the industrial nightmare of working class factory life, and its unrepentant, cocky anti-hero Arthur Seaton.

Saturday Night and Sunday Morning Synopsis: Arthur, one of Britain's angry young men of the 1960s, is a hardworking factory worker who slaves all week at his mindless job for his modest wages. Come Saturday night, he's off to the pub for a loud and rowdy beer session. With him is Brenda, his girlfriend of the moment.

"Working all week at the lathe leaves Arthur Seaton with energy to spare at the weekends. A hard-drinking, hard-working rebel, he knows exactly what he wants, and how to get it. Before long his dalliances with a couple of married women make him the centre of local gossip. But then one evening he meets a young girl in a pub, and life begins to look a little less simple." "Alan Sillitoe's classic novel achieved instant critical acclaim, and now, fifty years after its first publication, it stands as one of the great works of twentieth-century British writing."--BOOK JACKET.

Alan Sillitoe\u0026s bestselling debut novel about debauchery, infidelity . . . and the morning after Arthur Seaton, a ladies\u0026 man and factory-worker extraordinaire, has just downed seven gins and eleven pints at his local pub. Thoroughly smashed, he proceeds to tumble down an entire flight of stairs, pass out, and wake up again only to vomit on a middle-aged couple. Luckily Arthur\u0026s lover, Brenda\u0026a married woman with two kids\u0026lets Arthur escape to her bed. Such are Saturdays in this bachelor\u0026s life. When Arthur is not romancing Brenda, evading her husband, or drinking himself silly, he is turning up his nose at authority, disparaging the army, and trying to avoid paying too much income tax. Moreover, Arthur\u0026s rapsallion ways soon lead him into the bed of Brenda\u0026s younger sister\u0026who is also married. But no matter how much fun there is to be had, every Saturday night has its Sunday morning, replete with hangovers and consequences: A local bigmouth starts gossiping about Arthur\u0026s affairs, Brenda gets pregnant, the husbands find out what\u0026s been going on, and Arthur suffers a terrible beating . Perhaps the time has come for this playboy to settle down and marry that third woman he has been seeing on the side . . . One of the first books to sell over a million copies in the UK when it was released in paperback, Saturday Night and Sunday Morning has since become a key literary reference of postwar British culture and society, as well as a classic British New Wave film. This ebook features an illustrated biography of Alan Sillitoe including rare images from the author\u0026s estate.

Bradford riots, 7-8 July 2001: over 300 police officers injured, 297 people arrested. Two hundred jail sentences issued totalling 604 years. Estimated damage: 7 million. Saturday Night and Sunday Morning marks the tenth anniversary of the Bradford riots in this thought-provoking, fascinating and balanced book."

The long-anticipated sequel to Alan Sillitoe\u0026s bestselling classic 1950s novel Saturday Night and Sunday Morning Arthur and Brian Seaton are heading back to their hometown, Nottingham, some forty-odd years after the close of Saturday Night and Sunday Morning. The brothers plan to surprise Brian\u0026s first love, Jenny Tuxford, on her seventieth birthday. Arthur, the notorious lothario, still has some of his old spark, but it has been hampered by domestic life and his wife\u0026s recent cancer diagnosis. Meanwhile, Brian, now a failed novelist but successful television writer living in London, is struggling with dissatisfaction and emotional regrets. He and Jenny had fooled around in their teenage years\u0026a lot of heavy petting through complicated clothing on her parents\u0026! settee\u0026!but Jenny ended up marrying someone else. Now that Jenny\u0026s husband has passed away, will sparks fly between her and Brian again? It is clear that the Nottingham of their youth no longer exists. The trams are now buses; the collieries and ironmongers have been replaced by cell phone shops and halal grocers; new high-rise apartments have sprung up; and the idle young hang around the city pubs whining about the dole. Where Saturday Night and Sunday Morning portrayed the chaotic energy of youth, Birthday is an investigation of the other end of the spectrum: the contemplation of missed chances and terminal decline, and the awareness that \u0026death\u0026s blackout could descend at any minute.\u0026 This ebook features an illustrated biography of Alan Sillitoe including rare images from the author\u0026s estate.

A working-class family saga set in rural England from the bestselling author of The Loneliness of the Long-Distance Runner. In 1887, Ernest Burton is a robust twenty-one-year-old who sets off to Wales in his best suit in order to work at his brother\u0026s forge. En route, he meets, seduces, and promptly impregnates a young widow. Such is the first episode of what turns into a lifetime of compulsive philandering whenever the blacksmith has a few hours away from his job. Within a year, Burton abandons the widow and returns to Nottingham. There, he marries the village barmaid, continues to toil and excel in a smithy, and fathers eight more children. Though Burton is an able-bodied provider who can ring a bull and shoe a horse with the best of them, his constant adultery, harsh authoritarianism, and violent streaks, make him anything but an ideal family man. The Burton children grow up to be rebellious despite\u0026or to spite\u0026their father\u0026s iron fist. And as time goes on, Burton seems more and more at odds with British society at large. Modernity threatens his profession, independent living is replaced by the welfare state, and long-standing customs of patriarchy give way to a more inclusive democracy. Two world wars and the Depression inflict additional tragedy on the family. As the Burtons struggle to overcome their strife, will the bully father have a change of heart? In this absorbing historical portrait set in Nottinghamshire, a charismatic yet despotic blacksmith reigns over his wife and children, but is powerless to control the transformations of early twentieth-century Britain.
