"Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM ' s Radio Andy channel, Bevy Smith ' s irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there ' s no one like Bevy!), Bevelations candidly shares how she reclaimed her life ' s course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life ' s next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we ' re in the mood, a killer pair of shoes.

THE MONEY PIT®, hosted by Tom Kraeutler and Leslie Segrete, is a syndicated home improvement call-in radio program that airs every weekend all over North America on more than 200 stations, as well as on XM Satellite Radio. Tom and Leslie give homeowners like you real information on how to get things done the right way by alerting you to what you need to know before you start a project. Room by room, Tom and Leslie share their extensive experience in home improvement, decorating, and remodeling in kitchens, bathrooms, bedrooms, family spaces, basements, and laundry rooms. They tell you secrets about lowering your energy bills. They've got great ideas about curb appeal and making exterior maintenance easier. And they give the best counsel anywhere on home safety and security, insurance, and preparing your home for sale. Before you start your next project, get advice from Tom and Leslie.

We all have our favourite radio stations—the ones we listen to each morning on the way to work or school, at night as we relax or get ready to go out. But when we travel too far from the signal, we wind up with static, and find ourselves scanning through countless stations to find something—anything—to listen to. With satellite radio, however, our favourite stations are available to us from one end of the country to the other, playing the music or talk shows we like 24 hours a day, 7 days a week . . . all virtually uninterrupted by commercials. The Pocket Idiot's Guide to Satellite Radioprovides an essential introduction to the world of satellite radio. Whether you're considering making the purchase and are confused by the options and equipment available or are already a user looking for installation guidance and tips and tricks for getting the most out of your purchase, this book is designed to help you navigate through the sometimes-complicated world of satellite radio.

"In the age of technology we have become disconnected at a cellular level. The time to reconnect to ourselves and each other is now!" Consciously Connecting is a step-by-step guide that will enlighten and give you the ability to further connect to your inner self. Learn to enrich your relationships with others, take action, and connect within the world around you—and most importantly, with yourself. Develop healthy emotional habits, and decrease stress and anxiety with your connectivity, which will give you the inspiration to lead a more productive and creative life. This adventure will be fun, and the exercises are easy. Engage in a weekly plan of action as you commit to be cognizant and walk away from life's disconnect and distractions. Unlock the secrets to Consciously Connecting as you choose to achieve your goals, embrace your strengths, and define your journey. Give yourself the gift of joy and happiness through connection and watch the possibilities happen.

A latest edition of a popular guide features updated and expanded entries in nearly 50 categories and incorporates new material for topics ranging from atheism and discoveries to beer and digital media.

Danny Seo is America's leading lifestyle authority on modern, eco-friendly living. In his last book, Upcycling, Danny demonstrated how to create beautiful things with the stuff you already have. Now he returns with 100 more projects—this time focused specifically on parties and holidays. Whether you're making dramatic party favors for New Year's Eve, giving a unique birthday gift, creating paper lanterns for a summer BBQ, or planning the Thanksgiving table, Danny shows how you can transform the ordinary into striking one-of-a-kind objects that will make every occasion a little more festive.

It's a dizzying array of adventures that will inspire and uplift! Plus: The opening chapter of Ta-Nehisi Coates' revolutionary BLACK PANTHER epic, the sensational first meeting of Moon Girl and Devil Dinosaur, and a stunning gallery of Ernanda Souza's Black History Month variant covers!

From the New York Times bestselling author, pro skater, satellite radio star and host of The Jason Ellis Show comes The Awesome Guide to Life, a hilarious follow-up full of no-holds-barred advice to help you get the most out of life. Drawing from his own experiences, Ellis offers the wisdom he's accumulated to help you handle any situation. Laugh-out-loud funny, told in the irreverent voice that draws legions of fans to his radio show, The Awesome Guide to Life teaches you how to create your signature look, how to party, how get laid, how to maintain a relationship, how to pick up a hooker—and more. But to maximize the opportunities that life has to offer you have to have confidence, Ellis argues—the confidence to define what you want, pursue your passion, and make your dreams a reality. In The Awesome Guide to Life Jason Ellis shows you how to develop the positive attitude you need to truly make things happen.

How would you like to have a wonderfully well-suited, kind, adoring half-orange who feels like a teammate, a partner in crime, a true other half? "Half-Orange" refers to the Spanish term mi media naranja, which describes one's sweetheart, that perfect other half. What if you heard he or she would be coming along soon? Would you be relieved? Excited? Happy? Well those are the feelings that dating optimism can give you. Rather than admonishing readers to make themselves more available, or turn dating into a full-time job, Spencer's program of dating optimism is a fun, results-oriented way to find a healthy happy relationship, based on brain science and psychology that can help you become a more positive dater. She'll guide you through sowing the orange seed of your ideal relationship and growing it to "fruit-ion." In essence, by focusing positively about dating, you can actually change your brain, which changes everything from your body language to the way you perceive others and what you ultimately attract. Meeting Your Half-Orange is the pep talk that puts finding true love back into your own hands. It will guide you toward becoming so focused on the relationship you want and so happy in your own skin, the right person will be naturally drawn straight to you. You've never read a dating guide like this before. But best of all, it will be the last one you'll ever need.

Presents information on nearly fifty major categories such as architecture, biology, business, history, medicine, sports, and film, a biographical dictionary, a list of the wonders of the world, and a writer's guide to grammar.
