Meet the iPad 2 Pocket Guide is your essential introduction to the iPad 2! This hands-on guide steers you through how to navigate the home screen; launch, run, and switch between apps; use the magical Smart Cover to put to sleep and wake your iPad; change and lock screen orientation; adjust screen brightness; and conserve battery life. You'll learn how to master Multi-Touch gestures, work with text, shoot video and photos using the two built-in cameras, make FaceTime calls, sync with a computer, connect to the Internet using a Wi-Fi or 3G network, link up with Bluetooth devices, mirror video, and search using Spotlight. This practical, approachable guide by Apple guru Jeff Carlson will quickly help you get the most out of your iPad 2!

The iPad is a game-changing product that reinvented the way we interact with digital content and the Web. Versatile, portable, powerful, ergonomically and functionally designed, it's the perfect companion for digital media. With Photos, music, movies, email, and hundreds of thousands of apps, the iPad helps you organize, explore, and maximize your digital world. The new iPad 2 includes a thinner/lighter design, a faster chip and superfast graphics performance, two cameras for Facetime video calling, hardware improvements, video mirroring, and much more. Inexpensive and to-the-point, The iPad 2 Pocket Guide is a complete companion to all the features and functions of the iPad including: Facetime, HD Video, Mail, Safari, Photos and Video, App Store, iBooks, Maps, Notes, Calendar, Contacts, and more. It will help you get up-and-running with easy to understand instructions and then show you hidden gems and tips to make you a true iPad expert.

Despite Apple's legendary ease of use, the iPad presents many users with a challenge. Its unique design, operating system, and applications--among other things--can be confounding to the very business people who would find it beneficial. The primary audience for this ebook is business people working in a corporate environment who have been issued an iPad by their employer and are looking to integrate the low-cost iPad into their workflow. Topics covered include syncing the iPad with Windows-based devices, working with spreadsheets, developing and presenting slideshows, app recommendations, and more.
