Ashfall, Ashen Winter and Sunrise are, in that order: the good book, the better book, and the best book by far. In this final installment, Mullin shows a level of maturity that was beyond him in the previous two books, and proves to us that – while his characters slowly developed and grew – he was also busy becoming a much better writer.

~~Review: Sunrise by Mike Mullin (Ashfall #3) • Nose Graze~~

Sunrise (Ashfall #3)(3) Mike Mullin. I threw the twitching weight of the man off me, rolling onto my knees. Ed was lifting the machine gun from its mounting on the cab of the pickup. Bullets whanged around us as the column of men behind the trucks fired. The driver of the pickup thrust his arm out the window, trying to bring a pistol to bear on Ed. I lurched forward and grabbed the driver's ...
