In 1976 the Big Thompson River flood in Colorado took 150 lives, including those of seven women on staff with Campus Crusade for Christ International. Deeply grieved by the loss, survivor Ney Bailey embraced a journey of faith that led her to a life-changing truth: No matter how things look and no matter how we feel, God is in control. In Faith is Not a Feeling, Ney reveals how life's tragedies and challenges lead each of us to an important decision about how we will relate to God. Building on a foundation of experiences all believers can relate to, this well-loved speaker and teacher shows how you can take advantage of the endless opportunities life provided to deepen your trust in the Lord. Faith is Not a Feeling has taught hundreds of thousands of people how to choose to believe God's promises over their own personal feelings. Now you, too, can discover the secrets that will allow you to face painful experiences with a measure of objectivity, use your feelings to take you to God, and experience true peace in the midst of failure and trials. Best of all, you will learn how to obediently and confidently take God at His word as you never have before.

This is a compilation of true-life accounts that took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Nigeria; where the author was trapped for over a decade with other devotees through hypnotism and brainwashing. She had documented her journey into this community, who uses religious garb to cover their nefarious operation to lure the innocent into occultism. She wrote how they lived, how they were systemic initiated into the dark world of deceit, and terrorized to swear secrecy allegiance. Finally, her escape was a grand style of Jehovah. This is to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each person has ability to discover who God is individually, without depending on another man. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

The Rise of the Prophetic Voice is an educational and revolutionary book that deals with biblical truths about the prophetic and its practical operation in our time. This book is a rare tool of the Holy Spirit, dedicated to shedding light about the prophetic to the body of Christ and to raising an end-time army of prophets for the Lord. The prophetic is the oldest and most documented ministry in the Bible, yet it is the least known in today's generation. No other ministry is known to be more effective in the Kingdom of God than the prophetic. The Bible, the most sacred book we have in the Kingdom of God, is a prophetic book; the birth of our Lord and Saviour Jesus Christ was a fulfilment of a prophetic word. God is restoring the prophetic in the church and calling all his sons and daughters to be prophetic. The world today glorifies individualism and independence from God as a pathway to freedom, rendering the very essence of God irrelevant. However, the well-informed, Spirit-led and powerful revelations in * Rise of the Prophetic Voice * demonstrate God's unfailing power and establishes his supremacy amongst men once again. This book will give you the biblical foundation of the prophetic, help you to discover your calling or gift in it and ignite in you its fire. Beyond all doubts, I believe this book will revolutionise the lives of its readers and restore the glory of the mighty God in the world.

In 15 years of Ministry, I have witnessed numerous miraculous signs and wonders, when the kingdom of God, which is the Holy Spirit, is emphasized. In different parts of this book I have shared a few of my experiences with the Holy Spirit. The book outlines what the Kingdom of God is: Powers of the Kingdom, Fundamental Principles of the Kingdom; how to enter the kingdom of God; an analysis of miracles in major denominations and the results of refusing the Kingdom of God. It is my contribution, to the Body of Christ, as a final appeal to receive the Holy Spirit before it is too late. Without the Holy Spirit, it is impossible to live through these end times of trials and tribulations. Furthermore, the presence and obedience to the Holy Spirit is the only medium to go in the Rapture. Samuel Mc Pherson is a teacher with 27 years of experience in divulging science at CSEC level.
