At the far end of our universe, on the twin planets of Werel and Yeowe, all humankind is divided into 'assets' and 'owners', tradition and liberation are at war, and freedom takes many forms. Here is a society as complex and troubled as any on our world, peopled with unforgettable characters struggling to become fully human. For the disgraced revolutionary Abberkam, the callow 'space brat' Solly, the haughty soldier Teyeo, and the Ekumen historian and Hainish exile Havzhiva, freedom and duty both begin in the heart, and success as well as failure has its costs.
