The light at the end of the tunnel must lead us back to hope

Finally, there seems to be some light at the end of what looks like a long, long tunnel. After being pummelled by the ravages of the much hated and feared coronavirus for months, which has killed over a million people, the news that Pfizer Inc's experimental COVID-19 vaccine is more than 90 per cent effective based on initial trial results renewed hope on Monday among world leaders ...

Some light at the end of a long tunnel - GulfToday

NICOLA Sturgeon has welcomed the "good news" about a potential new coronavirus vaccine, saying it was a "light at the end of the tunnel". Speaking at the Scottish Government's daily coronavirus briefing, the First Minister said it offered hope that "science is going to find us the way out of this terrible time".
