Mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work-progress that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in seven companies, the authors explain how managers can foster progress and enhance inner work life every day.

great inner work lives – consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues.

Teresa Amabile's Progress Principle

The Progress Theory was developed by Teresa Amabile and Steven Kramer. They determined that achieving consistent, small wins was the biggest indicator of a rich inner work life. This rich inner work life, in turn, enables people to be more productive, more engaged, and more creative in the work that they do.
