A controversia is an exercise in rhetoric; a form of declamation in which the student speaks for one side in a notional legal case such as treason or poisoning. The facts of the matter and relevant law are presented in a persuasive manner, in the style of a legal counsel. History. Like thesis and suasoria, controversia originated in ancient Greece. It

For better or for worse, machine translation is now in integral part of standard translation workflows. Five years ago, translators might have received a partially, pre-translated text to work on thanks to translation memory matches. Today, they receive a fully translated text and are no longer tasked with translating but rather post-editing. Are translation memories and glossaries still ...

A beautiful, unsettling novel about rebellion and taboo, violence and eroticism, and the twisting metamorphosis of a soul Before the nightmares began, Yeong-hye and her husband lived an ordinary, controlled life. But the dreams—invasive images of blood and brutality—torture her, driving Yeong-hye to purge her mind and renounce eating meat altogether. It's a small act of independence, but it interrupts her marriage and sets into motion an increasingly grotesque chain of events at home. As her husband, her

brother-in-law and sister each fight to reassert their control, Yeong-hye obsessively defends the choice that's become sacred to her. Soon their attempts turn desperate, subjecting first her mind, and then her body, to ever more intrusive and perverse violations, sending Yeong-hye spiraling into a dangerous, bizarre estrangement, not only from those closest to her, but also from herself. Celebrated by critics around the world, *The Vegetarian* is a darkly allegorical, Kafka-esque tale of power, obsession, and one woman's struggle to break free from the violence both without and within her.

This book is an annotated translation, with introduction and commentary, of the correspondence between Yi Hwang (T'oegye, 1500-1570) and Ki Taesung (Kobong, 1527-1572) and between Yi I (Yulgok, 1536-1584) and Song Hon (Ugye, 1535-1598), known as the Four-Seven Debate, the most famous philosophical controversy in Korean Neo-Confucian thought. The most complex issues and difficult tensions in the

translators and interpreters up to date on a broad range of issues. The seven sections take up success and survival strategies for a language professional, including the challenges posed by the changing global economy, the impact of new technologies, adjustments required by a different legal environment and traditional ethical practices. Such challenges and changes point to a need for continuing education and networking and for newcomers specialized postsecondary training. The issues are as broad as the translator and interpreter's role in the modern world, as detailed as advice on setting up a workstation or choosing a degree program. The contributors, all practicing translators and interpreters, discuss also the value of the Association and its Committees to the profession and its individual

Since publication over ten years ago, *The Translator's Invisibility* has provoked debate and controversy within the field of translation and become a classic text. Providing a fascinating account of the history of translation from the seventeenth century to the present day, Venuti shows how fluency prevailed over other translation strategies to shape the canon of foreign literatures in English and investigates the cultural consequences of the receptor values which were simultaneously inscribed and masked in foreign texts during this period. The author locates alternative translation theories and practices in British, American and European cultures which aim to communicate linguistic and cultural differences

Instead of removing them. In this second edition of his work, Venuti: clarifies and further develops key terms and arguments responds to critical commentary on his argument incorporates new case studies that include: an eighteenth century translation of a French novel by a working class woman; Richard Burton's controversial translation of the Arabian Nights; modernist poetry translation; translations of Dostoevsky by the bestselling translators Richard Pevear and Larissa Volokhonsky; and translated crime fiction updates data on the current state of translation, including publishing statistics and translators' rates. The Translator's Invisibility will be essential reading for students of translation studies at all levels. Lawrence Venuti is Professor of English at Temple University, Philadelphia. He is a translation theorist and
