What goes on tour. Safety & Health Practitioner The sight of senior managers and directors undertaking a safety tour of a workplace is a common occurrence in many businesses. When done well they serve to help drive an organisation's safety performance and culture. By dedicating a significant portion of time to health and safety, the ...

What goes on tour - SHP

"What happens on tour, stays on tour" is a notorious phrase or saying agreed to by persons who get together and travel either interstate or overseas for sporting tours. In essence, the phrase means that all exploits during the tour must be kept strictly confidential, never to be discussed with anyone outside the group. In more recent years, the phrase has also been applied to persons attending music gigs, going on business trips and fishing holidays. The term is commonly used in the United Kingdom

What Goes On Tour by Sam Derbyshire (Matador £8.99) AN annual golf trip's dramas should stay secret, but the revelations score a hole in one for the debut of Nairn-based writer Sam Derbyshire. Comic twists, dark moments and well-drawn characters are three of the pleasures of this rollicking sometimes raunchy read.

Sketch: Margaret Ferrier goes on tour. Margaret Ferrier says COVID "makes you act out of character", which is why she chose to take a 350 mile trip on public transport despite experiencing coronavirus symptoms, then take another 350 mile trip after testing positive.

Renowned English rugby player Brian Moore recalls his mischievous misadventures on tour, and provides hard-won tips to avoid trouble.

Since his first book was published in 2012, The Secret Footballer has been able to take the reader behind the scenes of footballers' lives like no other player has been able, or will ever be able, to do. Anonymity has been a potent weapon in revealing the real world of football stars, and five years on, he has now penned the work that all his fellow professionals have been urging him to do from the start, The Secret Footballer: What Goes on Tour. And it isn't going to stay on tour any more... From Marbella and Ibiza to Dubai and Las Vegas, The Secret Footballer lays bare the worst, most embarrassing and most hilarious excesses of these fit and mostly fickle young men whose million-pound salaries, to use his own words, 'open up a host of recreational opportunities'. Fuelled by rampaging desires for sex, drugs, booze and rock'n'roll, these footballers think up ever more extreme ways of splashing the cash, and needless to say, it doesn't always end well...

"It's the summer of 1996 and I, Sharon 'Shaz' Green, am living the dream leading coach tours in Europe. I have also met my future husband, fellow tour manager, Roger. He just doesn't know it yet. For the next month I will be bumping into Roger all over Europe. This would be fantastic news if he wasn't working with Skipper. I accidentally had sex with Skipper. Can I manage to woo Roger while fending off Skipper, at the same time as being very professional and leading my flock of tourists around Europe?"--Back cover.

What goes on tour, stays on tour is the old adage - but what happens when the likelihood of tour secrets being divulged becomes a real possibility? With his marriage to the slightly

depressed Lucy already under severe strain, Steve Sinclair, handsome stalwart of the Scottish team, is desperate to embark on the annual Scotland v England golf tour to Portugal. But with the trip being organised by twice-divorced, arrogant and promiscuous London banker Myles Cavendish, tensions in his and several of the others players' homes are already running high. Aware that he is not the most popular guy on the trip, Cavendish is keen to make the 20th anniversary tour one to remember and determined to take the trophy back to England. Ignoring the pleas of his long-suffering but faithful friend Simon to hold back on some of his plans for 'extracurricular' activities, he revels in the opportunity to stir things up for his smug, happily married mates. However, when the inevitable fallout affects some of his closest friends, Cavendish has to pick up a lot more pieces than he bargained for, especially when his controlling and bullying tactics prove too much for struggling lawyer Callum Dunbar and the boys call in his formidable wife Maggie to sort things out. And when the abandoned wives decide to take on a few extra curricular activities of their own, things get even more complicated... Set over four days, What Goes on Tour is a fast-paced, light-hearted and entertaining look at the challenges and complexities of modern relationships, the differences between the two genders and the dangers posed by a camera phone in the wrong hands. It's a great holiday read for men and women - with both sexes able to identify with the subject matter and characters. Sam has been inspired by many authors, including Jilly Cooper and Nick Hornby.

The "Funky Munky Band Goes On Tour" is a fictitious and hilarious journey through what most local musicians experience trying to make it big. Although this is a fictitious book, many of the struggles musicians face are very real and consequently, very funny too! As you will see. Soon after an initial jam in the town of Upharta, four musicians decide to become a band. They are all aging and would like one last shot at touring and perhaps success. It is decided that a website would greatly aid in that cause. To keep viewers interested they adopt a "newsletter" format to keep fans engaged and to grow the ever important "following". Oh, but this is no regular newsletter! Fun, puns, and an out and out belly laughs are the result. The Funky Munky Band Goes On Tour is a quick read that is guaranteed to tickle your funny bone! Seriously unserious!

The story of a young girl with a broken heart who takes a coach trip so that she can think about her life. Taking advantage of the suitable men on the coach, Jackie has plenty of sexual encounters but knows she must return home to make the biggest decision of her life.

Vivian's a 20-something bookworm who loves reading mysteries and dreams of being a detective. She gets a chance to play one in real life when bestselling author Joanna Rorke turns up dead. After the police find Vivian's prints and DNA in the author's hotel room, she becomes the prime suspect. To prove her innocence, Vivian teams up with the rumped, middle-aged crime reporter Freddie Fraser, who helps her follow the clues. Soon, secrets about Rorke's writing begin to surface. The closer Vivian and Freddie get to the truth, the closer they are to the killer's crosshairs. But who pulled the trigger, and can the unlikely duo find him before another life is lost? This book contains adult content and is not recommended for readers under the age of 18.
