Pearl Harbor attack, (December 7, 1941), surprise aerial attack on the U.S. naval base at Pearl Harbor on Oahu Island, Hawaii, by the Japanese that precipitated the entry of the United States into World War II. The strike climaxed a decade of worsening relations between the United States and Japan. A U.S. battleship sinking during the Pearl Harbor attack.

Pearl Harbor attack | Date, History, Map, Casualties ...

The Attack on Pearl Harbor was a surprise military strike by the Imperial Japanese Navy Air Service upon the United States against the naval base at Pearl Harbor in Honolulu, Territory of Hawaii, just before 08:00, on Sunday morning, December 7, 1941. The attack led to the United States' formal entry into World War II the next day. The Japanese military leadership referred to the attack as the Hawaii Operation and Operation AI, and as Operation Z during its planning. Japan intended the attack as

Attack on Pearl Harbor - Wikipedia

The surprise attack on Pearl Harbor by the Japanese led the United States to enter World War II. December 7, 1941 was a "date which will live in infamy," according to Franklin Delano Roosevelt. If you're seeing this message, it means we're having trouble loading external resources on our website.

In comic book format, describes the Japanese surprise attack, including Japanese worries about a U.S. strike from Pearl Harbor, the sinking of the West Virginia, and the American entry into World War II that followed.

Hawaii, 7th December 1941, shortly before 8 in the morning: Japanese torpedo bombers launch a surprise attack on the US Pacific fleet anchored in Pearl Harbor. The devastating attack claims the lives of over 2,400 American soldiers, sinks or damages 18 ships and destroys nearly 350 aircraft. The US Congress declares war on Japan the following day. In this vivid and lively book, Takuma Melber breathes new life into the dramatic events that unfolded before, during and after Pearl Harbor by putting the perspective of the Japanese attackers at the centre of his account. This is the dimension commonly missing in most other histories of Pearl Harbor, and it gives Melber the opportunity to provide a fuller, more definitive and authoritative account of the battle, its background and its consequences. Melber sheds new light on the long negotiations that went on between the Japanese and Americans in 1941, and the confusion and argument among the Japanese political and military elite. He shows how US intelligence and military leaders in Washington failed to interpret correctly the information they had and to draw the necessary conclusions about the Japanese war intentions in advance of the attack. His

account of the battle itself is informed by the latest research and benefits from including the planning and post-raid assessment by the Japanese commanders. His account also covers the second raid in March 1942 by two long-range seaplanes which was intended to destroy the shipyards so that ships damaged in the initial attack could not be repaired. This balanced and thoroughly researched book deepens our understanding of the battle that precipitated America's entry into the war and it will appeal to anyone interested in World War II and military history.

A minute-by-minute account of the morning that brought America into World War II, by the New York Times—bestselling authors of *At Dawn We Slept*. When dawn broke over Hawaii on December 7, 1941, no one suspected that America was only minutes from war. By nightfall, the naval base at Pearl Harbor was a smoldering ruin, and over 2,000 Americans lay dead. December 7, 1941 gives a detailed and immersive real-time account of that fateful morning. In or out of uniform, every witness responded differently when the first Japanese bombs began to fall. A chaplain fled his post and spent a week in hiding, while mess hall workers seized a machine gun and began returning fire. Some officers were taken unawares, while others responded valiantly, rallying their men to fight back and in some cases sacrificing their lives. Built around eyewitness accounts, this book provides an unprecedented glimpse of how it felt to be at Pearl Harbor on the day that would live in infamy.

The people and events of the Pacific war, including the historic carrier-based naval battles, the savage "island hopping" campaign, the home front, and the two atomic bombs dropped on Japan.

Traces the rise of Japan as a military power and the emergence of the United States as a world superpower that found itself drawn into World War II after the attack on Pearl Harbor.

The story of Japanese involvement in WWII is one that includes a number of amazing events between 1939 and 1945. The Japanese went from fighting against just the Chinese to attempting to practically take on the entire world at the one time. Inside you will learn about... ✓ The Attack on Pearl Harbor ✓ The Pacific War Begins ✓ The Completion of the War Plan. ✓ Attacking Australia and Further Expansion ✓ Battle of the Coral Sea ✓ The Battle for the Solomon Islands ✓ The Bomb ✓ The Japanese Surrender And much more! This is a story of rapid expansion, an attempt at consolidation, and ultimately, retreat and massacre. It is a story of honor, of Allied unity, and eventual surrender. The role of Japan in the Pacific War is a part of WWII that cannot be forgotten.

World War II Journal Volume 2: Pearl Harbor Special Issue. Presents 40 articles by historians and veterans on many different aspects of the Pearl Harbor attack. 84 photos, maps, and illustrations. See preview for complete contents listing.

World War II Pearl Harbor President Franklin D. Roosevelt described December 7, 1941, the date when the Japanese launched a surprise attack against the United States while the two countries were still officially at peace, as a day that would live in infamy. The action hurled the United States into the global conflict of World War II, a violent conflagration that the nation, fiercely isolationist, had intended to ignore. But the rising tide of militarism across the globe meant that American neutrality could not last. War was contagious, and sooner or later, no matter how a nation tried to quarantine itself, the infection would find it. To the people of the United States, the attack came as a complete surprise. Perhaps Americans should have expected it. Tensions between the U.S. and Japan had been steadily increasing throughout the year, and American sanctions against Japan were hindering the

efforts of the Japanese to become the dominant power in the Pacific. Inside you will read about... - America Opens the Door to Japan - Pearl Harbor, Home of the Shark Goddess - Air Raid Pearl Harbor, This Is No Drill - The Commanders - The Story of a Survivor And much more! Ironically, a mock naval exercise the decade before the Pearl Harbor attack had foreshadowed the penalty of ignoring the base's vulnerability, but the naval higher-ups refused to believe it, setting the stage for the real attack in 1941. The commander of Pearl Harbor, Admiral Kimmel, was convinced that the attack would be made against Wake Island. But Japanese Admiral Yamamoto's shrewd planning was as devastating as he intended it to be, as America's Pacific base lay in ruins-over 2,403 dead, 1,178 wounded, and the fleet devastated. Yet, the day after the attack, while Japan rejoiced, Yamamoto was despondent. Japan, he knew, could not win a long, drawn-out war. The Americans would be out for revenge.

Discover the fascinating stories and tragic history of Pearl Harbor - America's Day of Infamy, December 7th, 1941. Presented in paperback in two parts because of its massive content, with twenty-five chapters and thousands of pages of text and photographs, this unique and comprehensive compilation of official information provides a stunning, richly detailed overview of all aspects of this incredible event. There are extensive oral histories from the survivors, explanations of the Japanese preparations for the sneak attack, thoughtful discussions of the controversies about what the Roosevelt Administration knew about the attack, a complete list of the heroes who gave their lives, thorough coverage of the history of the USS Arizona memorial, and full details of Navy, Marine, and Coast Guard involvement.
