From "the godfather behind creative nonfiction" (Vanity Fair) comes this indispensable how-to for nonfiction writers of all levels and genres. "reminiscent of Stephen King's fiction handbook On Writing" (Kirkus). Whether you're writing a rags-to-riches tell-all memoir or literary journalism, telling true stories well is hard work. In You Can't Make This Stuff Up, Lee Gutkind, the go-to expert for all things creative nonfiction, offers his unvarnished wisdom to help you craft the best writing possible. Frank, to-the-point, and always entertaining, Gutkind describes and illustrates every aspect of the genre. Invaluable tools and exercises illuminate key steps, from defining a concept and establishing a writing process to the final product. Offering new ways of understanding the genre, this practical guidebook will help you thoroughly expand and stylize your work.

The host of "Long Island Medium" relates the wisdom she has gleaned from spirit and client readings, sharing insights into spiritual concepts and everyday challenges.

In her highly-anticipated nonfiction debut, humorist, popular blogger, and USA Today bestselling author, Susannah B. Lewis (Whoa! Susannah) uses dry wit and an eye for the absurd to find laughter in even the most challenging circumstances. Millions of online fans have flocked to Susannah B. Lewis's hysterical, take-no-prisoners videos that capture her uproarious yet deeply faithful view of the world. Now she brings to book form her keen eye for the absurd as she reveals her experiences growing up in a small Tennessee town. From the time an escaped albino panther wandered into her backyard to the Thanksgiving when an egg in the table's centerpiece hatched a baby chicken to the kind neighbors who brought casseroles in Tupperware for months!even years!after her father died when she was just eleven years old, the stories she tells delve deeply into the rich culture of the South that molded her. Clinging to the promises of God in times of grief and looking for every opportunity to laugh, Lewis is the wry yet wise girl next door who invites you to sit a spell beside her on the front porch

Is it possible to be a judge and have a sense of humor too? Judge Vanessa Gilmore shows us that the answer is a resounding yes! In this humorous, autobiographical collection of short stories, Judge Gilmore reveals a glimpse of life on and off the bench. A master storyteller, and a lover of all things funny, Judge Gilmore would often regale her friends at parties with tales of her life. When she related a story about a criminal defendant who was flirting with her as she took his plea, and another who dressed as king during his trial, her friends insisted that these stories could not be true. This book shows us that life really is stranger and funnier than fiction. From hilarious tales of flirting criminals and fighting lawyers, to heartwarming stories of time spent mentoring young girls, we see it all through the eyes of a judge. Vanessa found humor when a man in a restaurant insisted that she should stop saying she was a federal judge because it just sounded too far fetched and vindication when her young son asked if boys could be judges too. This book will leave you laughing and asking if life as a judge can really be this much fun.

New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word by writing some words. Some of those words include: the, a, for, above, and even even. Put them together and you have a "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. ||Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy! (Kirkus Reviews).

Most of my life, I have heard, "Only you, Lauren," and have frequently asked myself, "Why does crazy shit always happen to me?" Now I have found an answer to the question I have asked myself over the years....to share my stories with you! The way I figure it is that there is no point to annoying, frustrating, funny and downright unbelievable shit to happen, unless you are going to share those stories with others. In this book, you will find a series of true stories written and experienced by me. Some will be very short, while others needed multiple pages to get the full story down. You will read about my family members, friends, former friends, boyfriends, ex-boyfriends, colleagues, past clients and many more people who have helped me fill the pages of my life so far. After reading this book, I encourage you take a minute to think about all the stories of your life, both good and bad, and look at how they have contributed to who you are today. For me, these stories are more than just funny and crazy shit that has happened to me over the years. Each one of these stories has taught me something I may not have learned without them, and have helped to shape me into the person I am today. At the end of each chapter, you will read what I learned from each one of the stories I share. Some lessons were life-changing, while others simply taught me not to cut 12 inches off a bridesmaid dress before trying it on. Actually, come to think of it, maybe that should be considered a life-changing lesson! As I always say, everything happens for a reason, even the bad stuff. It is our job to figure out what that reason is, no matter how small, and use that information to expand our horizons and live a happier and healthier life. Enjoy!

Most of the stories in this book are those that I lived throughout my life. I recently retired, and I had the time to write these stories down. At least as many as I can remember (memory may not my best trait anymore). Someone often says something that triggers the depths of my memory. I wrote down a note to remind myself, and then I added that item to this book. There are over 230 such stories here. I removed the names and places from my stories, to protect the innocent.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

One of the most popular questions cops get asked is "What's the funniest thing that's ever happened to you on the job?" Well, we set out to gather a few funny stories from across North America and compiled them into this eBook with some stories you will want to read again and again to laugh at and share with your friends. So many times in the career of law enforcement officers, you end up saying "You just can't make this stuff up!" So, here are some insights as to the sorts of things that we have laid eyes on or experienced that we hope you'll enjoy! Please be aware that the stories in this book are REAL and some involve recounting nudity or other PG-16+ situations that you may want to consider if you find such real situations (that cops see and have to learn to laugh at) offensive.

U Can't Make This Stuff Up: The Extreme Encore! opens and closes chapter 1 with Larry's Radio Talk Show. There are plenty of funny elevator stories, observations, and a super sexy marathon that will make you blush. My babies, JYD and Prissy, are scattered throughout chapter 1. Stand-Up Comedy While Sitting can be found mid-way through chapter 1. Pictured is a younger virgin* of myself. Do things ever make U say Huh? We have a few in the first three hundred pages. The Supreme Court has made three controversial decisions. 1962-1973 and 2015. A lot has been written about these three decisions. What is next for America?
